

Supatrax Child Welfare Concern Form

A report should be made by the person who has had the initial concerns about a child's welfare using this pro forma.

The report should be handed to the Supatrax Safeguarding Lead in order to add any follow up action taken. The form should then be stored in a secure location .

The Supatrax Safeguarding Lead should contact the appropriate Social Work Dept/Police, giving them a copy of this form if requested.

Name:

Date:

Who is putting the child/young person at risk?

(eg staff member, family member)

Name and contact details of child/young person/s your concern relates to:

Outline your reasons for concern (key points):

Brief outline of any action you have already taken to protect the child/young person:
